Please read thoroughly the notes section as things may have changed due to Covid-19. We want to ensure that everyone is having fun while being safe, as safety is our number ONE priority. If you have any questions or concerns, don't be afraid to reach out.

Due to COVID restrictions being lifted, all activities are now solely offered in-person. As was stated in the last calendar, July was the last month for Zoom services; we are excited to welcome everyone back to our regular programming!

- **For those who are not vaccinated, masks are still required.**
- We will continue to abide by social distancing protocols to ensure everyone's safety, regardless of vaccination status.
- Our COVID19 cleaning protocols remain unchanged to ensure everyone's safety.
- All members are to arrive within 30 minutes of the start time of the activity with a completed attestation form ready (please let staff know if you need new copies)
- We ask everyone to pull up to the door with the bright orange cone and "Party Zone" sign, and wait patiently to be checked in by designated staff. This process may take a few minutes.
- **Please do not enter the building without staff present.** Please be patient, as staff will be waiting for you at the door as soon as the program area is safe to enter.
- All members MUST have their temperature taken upon arrival and use hand sanitizer before entering the building
- Please arrive as close to end of activity time as possible when picking up. Again, pull up to the door with the sign and bright orange cone where you will be greeted by a staff member while you remain in your vehicle. This process may take a few minutes.
